ANGUS GLEN

Winner of the building industry's Best Places to Grow Award, developed and built by multi-award winning Kylemore Communities, and surrounded by two championship golf courses, Angus Glen is one of Markham's most prestigious communities.

Today, the community is home to almost 1,100 homes, including the two buildings that comprise The 6th – Markham's only resort-style condominium and newly released Brownstones enclave of luxury towns. Within walking distance, The Shoppes of Angus Glen offers premium dining, banking and conveniences, and Main Street, Unionville is a short drive. Angus Glen features a host of recreational opportunities including a spectacular community centre with ice rinks, swimming pool and tennis facility. Schools, public transit and major shopping venues are also nearby. The overall architectural and landscape elements for the community reflect the charming streetscapes of Markham's historic neighbourhoods.

The 6th is under construction with available suites ranging from from 770 to 2,190 square feet., priced from \$790,000. A sumptuous model suite is open to view. Surrounded by mature trees, Brownstones features striking architecture and deluxe finishes in townhomes from 2,488 to 3,100 square feet Prices start at \$1.3 million.
