## Kylemore Communities' } annual toy drive helps 200 families

**Kylemore Communities'** Annual Holiday Party for trades, consultants and colleagues kicked-off the season in high style. The Markham-based luxury homebuilder and developer hosted the get-together to thank its building partners for their contribution to another successful year. Guests were asked to bring a new toy to help brighten the holidays for Markham families.

For a fifth consecutive year, the toys collected were donated to the Christmas Food and Toy Drive organized by **Unionville Alliance Church (UAC)** and partner churches, which in turn distribute hampers to area families.

"Helping others is what unites a community and strengthens our ties to each other," said Kylemore president **Patrick O'Hanlon**, who is well known for his philanthropy and charitable work. In the past nine years, the annual **Kylemore Kares Charity Golf Tournament** has raised over \$1 million for charity.
